01

Discover

A short call about your business, your customers and what you want to grow.

02

Plan

Which services and channels, the timeline and the cost, agreed up front.

03

Create

Brand, creatives, website or bot, shared with you at each stage.

04

Launch

The site, the campaign, the WhatsApp agent or the print run goes live.

05

Grow

Monthly creatives, ads and lead follow-up, with regular reports.

WORK

Every site here is live.

Websites for businesses, non-profits, artists and professionals. Projects marked Concept are design studies built on a sample brief.

Stambh Realty

Residential developer, Pune. Tower listings, a 3D building model and site-visit booking.

`stambh-realty.vercel.app`

Blessing Smile Foundation

Non-profit, Varanasi. Programs, impact, a gallery and a donate flow with proof.

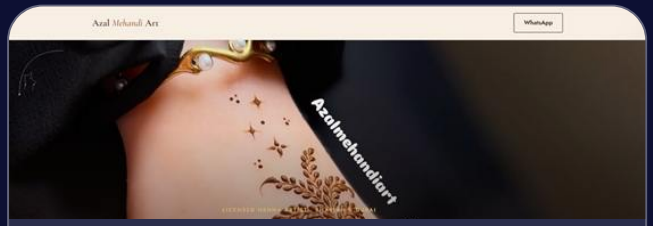

`blesssing-smile-foundation.vercel.app`

Vijay Joshi · Phad Painting

Folk artist, Rajasthan. The story and collection of a thirteenth-generation painter.

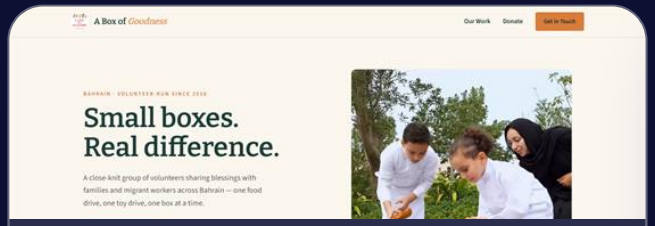

`phad-painting.vercel.app`

Azal Mehandi Art

Henna artist, Sharjah and Dubai. Bridal and party henna, booked over WhatsApp.

`azal-mehandi-art.vercel.app`

A Box of Goodness

`studio-saanjh-two.vercel.app`

BEYOND WEBSITES

WhatsApp AI agent

Turns incoming messages into notes, reminders and tasks, synced to Notion.

`FastAPI · WhatsApp API · LLMs`

BEYOND WEBSITES

Karta Attendance

Offline-first QR check-in for events, with a volunteer scanner and an admin dashboard.

`Python · FastAPI · offline sync`

BEYOND WEBSITES

OmniLink CRM

Customer profiles, membership and consent workflows, built during an internship at Tata Trent.

`FastAPI · REST · JWT`

CLIENTS

Brands we've worked with.

Trent · Blessing Smile Foundation · Phad Painting · Shahpura · STAMBH Realty · vidit.tech · Azal Mehandi Art · A Box of Goodness · Karta Initiative

> Really happy with how the website turned out! He understood what we wanted and helped us present our foundation and our work online in a much better way. The overall experience was smooth.

Blessing Smile Foundation

WEBSITE

> He handled our Instagram ads and created posts for us as well. It was great to have someone manage both the promotions and the creative side together. Happy with the work and the effort he put in!

Shubham Singh

INSTAGRAM ADS AND POSTS

> Working with him was a good experience. He built a WhatsApp agent for us that helps make handling messages easier. I really liked that he understood the requirement and worked on a solution around it.

Supriya Singh

WHATSAPP AI AGENT

> Loved how my portfolio turned out! He made the whole thing look clean and professional, and it feels much better having my work presented properly in one place. Really happy with the result.

Vidit Gupta

PORTFOLIO WEBSITE

> Really liked the website he made for us. He understood what we needed and turned it into something that looks professional and is easy to use. Overall, it was a nice experience working with him.

Vijay Joshi · Phad Painting

WEBSITE DEVELOPMENT

FOUNDER

Harshit Singh

Harshit started digipartnersX to give brands one team for everything digital. Before it, he worked on retail analytics and a CRM platform at Tata Trent, and on data dashboards for the WageIndicator Foundation.
